MASTER OF SCIENCE IN
Sustainability Management

Building a Public Private Partnership to Finance the Green Economy

Panelists will examine the extent to which green companies rely on government subsidies or tax incentives, and discuss how sustainable investing can help provide the capital to scale clean energy technology needed for a sustainable economy.

Thursday, March 24, 2016

6:00 to 7:00 pm

(Reception to follow)

Rotunda, Low Library
Columbia University
